Funding Opportunities

Fellowship programme for Korean studies

Academy of Korean Studies, KR

This enables international scholars to carry out their research in Korea. The fellowship includes a monthly stipend worth KRW 2 million, an economy class round trip airfare for overseas awardees, discounted accommodation and access to AKS facilities.

Maximum award: Not known

Closing date: 16 Oct 20 (recurring)

COMING SOON: Academy In Exile fellowships

Forum Transregionale Studien, DE

*** This opportunity will be available soon. The next call is expected to open in late 2020. The following information is subject to change. These fellowships enable scholars, who are at risk because of their academic work or civil engagement in human rights, democracy and the pursuit of academic freedom, to resume their research at the Free University of Berlin. Fellowships are worth €60,000 each for two years. ***

Maximum award: €60,000

Closing date: 15 May 21 (forecast)
